

YTH Camp | Modesty Code

The Pursuit Camp 2022

As the Pursuit Camp, we desire to help our students in every aspect of their lives to know Christ, be like Christ and represent Him well in the earth. One of the challenges we face in our culture is how we are told to dress and look. We want to help our students be like Christ in the ways they dress and how they communicate about themselves through fashion. At camp, and year round, we want to set a standard of wisdom and modesty in how we dress. Please read the following guidelines and dress accordingly.

GIRLS:

- Regular Attire
 - Shorts must be thumb length or longer when standing
 - If we feel your shorts are still too short, even though they meet the “thumbs” requirement, we will ask you to change.*
 - No crop tops, off- the-shoulder tops, thin strap tanks, strapless shirts
 - No bra straps are to be seen at any time
 - No midriff tops: no skin may be shown between your top & pants (Because of the styles, we understand the challenge with this. If you lift your hands or bend over and your midsection or back is exposed, you will need to wear a longer top underneath that covers all skin.)
 - No see-through and/or sheer tops without a shirt underneath
 - No clothing promoting inappropriate secular bands, drugs, alcohol, etc.

GUYS:

- Regular Attire
 - No clothing promoting inappropriate secular bands, drugs, alcohol, etc.
 - No underwear or boxers are to be seen at any time
 - No shorts shorter than fingertip length
 - If we feel your shorts are still too short, we will ask you to change.*
